

ONLINE ADVERTISING RATES 2024

The Catholic Voice now provides the opportunity for businesses and individuals to advertise on our dedicated Catholic Voice webpage, www.catholicvoice.org.au

Our Catholic Voice website has experienced phenomenal growth since it was launched in July 2018 to the point that we regularly have in excess of 4,000 page views a day. Part of that success has been driven by the Daily Voice email we sent out to thousands of subscribers twice a week.
